

## *Swimming pool regulations*

### *Domaine de Moulin-Phare*

*In accordance with French regulations governing the use of family swimming pools open to guests, and in order to prevent accidents to bathers, particularly children, and to ensure that the pool is pleasant to use for all, here are the rules for using the pool:*

*article 1:* By using the pool, you agree to be bound by these rules.

*article 2:* Opening hours 10 a.m.-8 p.m. (modified hours possible depending on activity).

*article 3 :* Access for minors only with the continuous presence of an accompanying adult who is responsible for the supervision and safety of the children. Use of the pool by children is therefore under the full supervision and responsibility of their parents.

*article 4:* It is forbidden to swim alone or without a supervisor (including adults).

*article 5 :* Guests are entirely responsible for any accidents that occur.

*article 6 :* The owners would like to remind all guests that the pool is unsupervised.

*article 7 :* As the swimming pool is a family pool, its use is reserved exclusively for members of the owners' family and guests staying in the Gîte.

*article 8 :* The pool area is a place for fun and relaxation. All play in the pool must be respectful and safe. It is strictly forbidden to dive into the pool, to run around it, to push each other or to apnea.

*article 9:* Users agree to :

- always rinse off in the shower before entering the pool, especially after using sun cream or oil, etc.*
- To use a clean bathing suit for swimming purposes only.*
- Not to bring any food or drink, except still water, near the pool.*
- Not to smoke in the pool area.*

*article 10 :* All pool users must be covered by civil liability insurance.

*article 11 :* The owner, in the event of repeated breaches of any of the articles, may withdraw the authorization previously granted without compensation of any kind.

*Article 12:* Prohibition of bathing when the pool robot is cleaning.
